

Dan Garrette

dhg@cs.washington.edu
http://dhg.ai

EDUCATION

The University of Texas at Austin, Austin, TX

Ph.D., Computer Science

Aug 2009 - Apr 2015

M.S., Computer Science

Aug 2009 - Dec 2011

Advisors: Jason Baldridge and Raymond Mooney

Illinois Wesleyan University, Bloomington, IL

B.S., Computer Science, *with Research Honors*

Aug 2003 - Apr 2006

Minor: Cognitive Science

(completed in 3 years)

SELECTED RESEARCH EXPERIENCE

University of Washington

Post-Doctoral Research Associate. Supervisor: Luke Zettlemoyer

May 2015 - Present

· Semi-supervised/low-resource learning for NLP, and the intersections of syntax and semantics.

University of Texas at Austin

Research Assistant. Supervisor: Jason Baldridge

Aug 2011 - May 2015

· Bayesian models of CCG parser induction from varieties of weak supervision.

Research Assistant. Supervisors: Katrin Erk and Ray Mooney

Aug 2009 - Aug 2011

· Unifying logical and distributional semantics for natural language representation and inference.

Google

Intern. Supervisors: Jiwoon Jeon and Hang Cui

May 2013 - Aug 2013

· Machine learning and natural language processing research related to Google News.

University of Maryland Institute for Advanced Computer Studies

Research Assistant. Supervisor: Philip Resnik

May 2012 - Aug 2012

· Bayesian models of syntactic framing in political writing.

INVITED TALKS

University of Washington. “Learning CCGs from Weak Supervision”. February 2015.
 Carnegie Mellon University. “Learning CCGs from Weak Supervision”. April 2014.

SELECTED TEACHING EXPERIENCE

The University of Texas at Austin

Instructor, Natural Language Processing (CS 378 / LIN 353N) · Upper-division undergraduate Computer Science and Linguistics course · http://www.dhgarrette.com/nlpclass/	Fall 2013
Guest Lecturer, Graduate Computational Linguistics (LIN 386M)	Fall 2011
Undergraduate Research Advising Kelsey Taylor Ball Brianna Connelly Matthew Ebeweber	2014 - 2015 2014 2014

The United States Peace Corps

Volunteer, Ghana, West Africa · Taught math and English in an underperforming rural junior secondary school. · Planned and performed HIV/AIDS presentations in rural communities and schools.	Jun 2006 - Feb 2007
---	---------------------

Illinois Wesleyan University

Teaching Assistant · Courses on algorithms (in C and Haskell), abstract data structures (in C), and architecture. · Ran study sessions for classes and tutored students.	Aug 2004 - Apr 2006
--	---------------------

HONORS AND AWARDS

Graduate

Best Talk Award Finalist, NAACL 2013
 National Defense Science and Engineering Graduate Fellowship (NDSEG) - 2010-2013, approx \$155,000
 Student Travel Grant, EMNLP, 2012. \$800
 Student Travel Grant, CoNLL, 2014. \$500

Undergraduate

Alumni Academic Scholarship
 Jennings Music Scholarship
 Upsilon Phi Epsilon - Computer Science Honor Society
 Dean's List - 6 of 6 semesters

ACADEMIC SERVICE

Conference reviewing: EMNLP (2016, 2015, 2014, 2013), ACL (2016, 2012), NAACL (2016), EACL (2014), COLING (2014), IWCS (2015, 2013), Texas Linguistic Society (2012)
 Journal reviewing: Computational Linguistics (4), Language Resources and Evaluation (1)
 Conference website developer/maintainer: IWCS-2013
 UTCS Admissions Committee – Master's Degree Program, Spring 2015

PROGRAMMING LANGUAGES

Skilled: Scala, Python, Java (ordered by frequency of use)
 Previous Experience: C, C++, Haskell, MATLAB, Prolog, R, SQL (ordered alphabetically)

OTHER WRITING

- [3] Hannah Alpert-Abrams and Dan Garrette. “Automatic Transcription in Colonial Contexts: OCR for the *Primeros Libros*”. Texas Digital Humanities Conference, 2015.
- [2] Hannah Alpert-Abrams and Dan Garrette. “Reading the *Primeros Libros*: from Archive to OCR”. American Comparative Literature Association Conference, 2015.
- [1] Hannah Alpert-Abrams with Dan Garrette. “Some thoughts on the relationship between computational linguistics and literary scholarship”. Language Log, Sept 12, 2013.

SELECTED OPEN SOURCE PROJECTS

Numerous projects at <http://github.com/dhgarrette>

Natural Language Toolkit (NLTK) – <http://www.nltk.org/> Feb 2007 - Present

- Toolkit for natural language processing in Python
- Authored most *semantics* code: first-order logic, λ -calculus, DRT, inference, etc

Ocular – <https://github.com/tberg12/ocular> Aug 2014 - Present

- State-of-the-art OCR system for transcribing historical texts.
- Authored extensions/features used in our publications.

Spring Batch – <http://projects.spring.io/spring-batch/> Oct 2008 - Sep 2009

- Application framework for batch processing in Java

OTHER SELECTED PROFESSIONAL EXPERIENCE

Accenture

Consultant Sep 2008 - Aug 2009

- Served as one of four committers to the open-source Spring Batch framework.
 - Designed and developed new functionality. Identified and fixed bugs.
 - Wrote reference documentation and answered questions on the public forum.
- Assisted Accenture projects as a Subject Matter Expert for Spring Batch.
- Designed Spring Batch training curriculum and led on-site training in the US and India.
- Wrote documentation on Accenture’s approach to Java development for use company-wide.
- Certified by Accenture as a Technology Architect.

Analyst May 2007 - Sep 2008

- Developed large-scale applications in Java.
- After just four months, was made a sub-team leader, formally leading a group of developers.
- After 15 months, promoted to Consultant. (Normal requirement is 2 to 3 years).

The Burwood Group

Consulting Intern Jan 2006 - Jun 2006

Illinois Wesleyan University

Technology Peer for the IWU Career Center Sep 2005 - Dec 2005

- Responsible for redesign of Career Center website, used regularly by students, alumni, and employers.

TransUnion

Intern Summers 2001-2005

- Added features to the application that interacts with the credit database. Coded in C.

ACTIVITIES

Post-Graduate

Seattle ScienceSlam - Presenter: *Learning to read 16th century books* (Voted **Best Talk** of the event) Jan 2016

Graduate

Organizer of the Natural Language Learning reading group Aug 2011 - Apr 2015

Undergraduate

John Wesley Powell Student Research Conference - Presenter

Symphonic Winds - Member, Percussion Section Leader for 5 semesters

Civic Orchestra, Opera Orchestra, Titan Band, Percussion Ensemble - Member
